

Student Referral Scheme

Dear Learner,

Great News for you! Student Referral Scheme benefit has been enhanced from existing Rs.1500 to Rs.2000/-.

For years, our students have been our brand ambassadors. They have been an invaluable asset by sharing their positive experience through simple word of mouth to their family, friends and colleagues. Participation on large scale by learners in the past six Student Referral Schemes (SRS), has been most heartening. The referral benefit has been enhanced based on your feedback. It is a token of our appreciation and gratitude for your support!

Under the Student Referral Scheme (SRS) all students/alumni will be rewarded with a referral reward of Rs.2000/- for each successful referral. The scheme's aim is to reward our students and alumni who make efforts to refer their friends, family members or colleagues for enrolling in our B.Tech. Indl. Engg. & Mgmt (Spl. in TQM) part-time programme or Executive MBA.

Please submit your referrals in the forms attached to your semester coordinator or online under student section of the School's website www.tqmbizschool.org.

The referral reward will be given on successful completion of the enrollment of the referred student.

In case two students refer a same candidate, the name of the student written by the enrolling candidate in his/her application form will be eligible for the SRS benefit. Enrolments for the batch commencing in January, 2012 for both B.Tech. & Executive MBA programme have already begun. Hurry up! Submit your referrals today.

Warm regards,
